Oolong	3g	70°C	2-3m
Darjeeling	3g	95-100°C	4m
Pure Peppermint	2.5g	100°C	4m
Lemon & Ginger	3g	100°C	4m
Hibiscus & Berry	4g	100°C	4m
Pure Chamomile	2.5g	100°C	4m

If you are looking to serve in larger amounts please increase the recipe to fit your teapot or serving size. We advise around 1g - 2g tea per 100ml water.

Many of these teas can also be brewed cold or over ice to make delicious summer drinks. If brewing over ice please adjust brew recipe to allow for dilution.
