There's no better way to start your day than with our smooth, comforting Breakfast Blend. Combining a mix of the finest Assam and African tea leaves to create an instantly recognisable, rich and malty breakfast tea. This iconic classic is the perfect motivator for those early wake up calls or to serve alongside a good bit of juicy gossip with your pals. Perfectly pairs with a couple of your favourite biccies'.

Brew Guide & Serving Suggestions:

For best results we recommend adding 3g of this tea to 250ml of water, that's 100°C. We would then suggest leaving your tea to infuse for 3-4 minutes. If you're looking to serve larger amounts, increase your recipe to fit your teapot or serving size. We advise 1-2g of tea per 100ml water.

Our Breakfast Blend can be enjoyed black, or with a splash of milk.
