

Yunnan Green

Info sheet

clifton
tea co.

Origin: Yunnan / China

Notes: Grassy / Velvet / Pure

Brew Guide:

Dose: 2.5g

Water Temp: 80°C

Time: 3mins

Yunnan green is the cream of the crop when it comes to green tea. Sourced from the southwestern Chinese province that shares its name, this whole-leaf blend of high-elevation teas delivers a classic flavour that's light and deliciously earthy.

Brew Guide & Serving Suggestions:

For best results we recommend adding 2.5g of this tea to 250ml of water, that's 80°C. We would then suggest leaving your tea to infuse for 3 minutes. If you're looking to serve larger amounts, increase your recipe to fit your teapot or serving size. We advise 1-2g of tea per 100ml water.

Yunnan Green can be enjoyed on its own or brewed over ice and topped with ginger ale and a slice of orange. When brewing over ice, adjust your recipe to allow for dilution.
